A PERRYSBURG CASE

Many More Like It in Perrysburg

The following case is but one of many similar occurring daily in Perrysburg. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

George H. Hufford, Cor. Railroad and Second Streets, Perrysburg, Ohio, says: "Doan's Kidney Pills is not a new remedy to me. I used them a year ago when I was painting, which work is very injurious to the kidneys. At the time I first used them, I was suffering from a severe attack of kidney complaint. It seated itself through the small of my back and at times was so severe and painful that I was compelled to lay down more than once until it subsided. The action of the kidneys were too frequent and at times painful. A friend who had used Doan's Kidney Pills and had been cured advised me to try them and I got a box. They proved to be just as he stated. That one box banished my backache and corrected all other difficulties. I gave Doan's Kidney pills to my son who was troubled with a weakness of the kidneys and they cured him in a very short time. You can refer to me at any time as a strong endorser of Doan's Kidney Pills, for the repeated tests we have given them proves to my entire satisfaction that Doan's Kidney Pills are all they are represented to be."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
